

The coaches of LDHS are excited to once again host Falcon Football Camp for the youth of the Lake Cities area. We strive to provide a fun and learning experience for students entering first through ninth grades.

The camp will provide students of all athletic ability to improve their skills and knowledge specific to football. Falcon Football Camp is designed to benefit both the beginning football player as well as the player who has a lot of experience.

See you at camp!

Future Falcons Football Camp is designed to allow each player to develop both skills and knowledge about football. Emphasis is placed on overall fundamentals by introducing campers to a sound teaching base in individual positions.
